Directions Regarding Nominating Petitions

1. An individual who wishes to be a candidate is not required to be an attorney, but must be an “eligible elector” pursuant to Iowa law. See Iowa Code §§ 46.4(1), 46.10(1), 46.25, 39.3, and 48A.5.
2. Note that the petition is two pages. The individual who is seeking to have his/her name placed on the ballot should complete the top of the petition (including the judicial election district number) on the first page. Including a profession is optional, but it may help the voters identify and research candidates with whom they are not acquainted.
3. Collect the required ten original signatures as well as the printed names, full home addresses and signature dates for all individuals who sign the petition. Please ensure all information collected is legible (for verification purposes).
4. Complete the second page of the petition (the candidate’s sworn statement) to confirm the validity of the candidate and the individuals for whom the signatures are being submitted. **Please read the sworn statement carefully and consider whether you meet the requirements for the position before signing it. For example, if you previously served a full six-year term on the judicial nominating commission, you are not eligible for re-election to the same commission.**
5. Completed nominating petitions should be submitted to:

State Court Administration
1111 East Court Avenue
Des Moines, IA 50319
or

dist.nominating.commis@iowacourts.gov

Personal delivery of completed petitions to the office of State Court Administration is only possible Mondays through Fridays from 8:00 a.m. to 4:30 p.m.

**All completed petitions with sworn statements must be received
in the office of State Court Administration
no later than MARCH 25, 2024 in order to place a name on the ballot.**

6. Individuals who do not submit completed petitions and whose names are not included on ballots may still receive votes during the voting period as a write-in candidate.
